# Capability Statement

Aviation Compliance Consulting Agency (ACCA), LLC is a woman owned standards and safety compliant aviation service provider headquartered within 30 miles of the world's busiest airport, Atlanta's Hartsfield-Jackson, and other surrounding municipal airports. Specializing in providing global airworthiness safety services for the Government and Commercial Aircraft Industries. Some of the unique, quality services provided are; field maintenance, aircraft and component maintenance, repair, & overhaul (MRO), airworthiness approvals, non-destructive testing & inspections, machine shop support, and conformity inspections. ACCA's goal is to provide timely quality services, yet exceed all customer performance expectations.
